

International Polo Club and Wanderers Club at Wellington chose SerLive

December 4th 2008, Palm Beach Gardens (Florida)

The International Polo Club and Wanderers Club decided to use the SerLive software to manage their courts' schedules on line.

"We are very excited to start using the SerLive program in our two clubs. We believe that we will save a lot of time in the organization of the schedules as the program can manage different sites from different computers instantaneously!" explains Paul Hope, Tennis Director in the two clubs.

"We are very satisfied for the confidence with which these two prestigious clubs have entrusted us. We believe that the program will perfectly meet their needs concerning the management of common members and staff" said Tatiana Nadaire, SerLive Inc. CEO.
